

Migration Information for Administrators

Starting April 9-19, 2023, we will be entering our 'freeze period' when any changes to institutional accounts, personal accounts, and publication of new content will be halted as we make the change over to Silverchair.

Once we are live and fully functional on the new platform (on or around April 20, 2023), we will send a launch announcement to all our registered users and administrators. We've prepared an interactive checklist outlining the few action items required once the 'freeze period' is over to ensure a smooth transition.

We encourage you to download the checklist to use as a guide for when you update your account.

Questions?

Please contact our Customer Experience team at help@aip.org with any questions or if you need assistance with any of the action items listed.
